Welcome to Angel Oak Elementary School!

Dear Parents and Students:

The teachers and staff of Angel Oak Elementary would like to welcome you to an exciting 2017-18 school year! This handbook has been prepared to give you important information you will need throughout the year.

Angel Oak Elementary is part of the Charleston County School District. CCSD strives to create a dynamic system of challenging educational choices, increase student achievement overall and close achievement gaps in order to prepare all students to compete in a global economy and make a positive contribution to our community and nation. Our goal is for every child to graduate from CCSD with the critical skills and knowledge necessary to succeed in college and the 21st Century global workforce.

This year at Angel Oak we will work to **CONNECT, COMMUNICATE and COLLABORATE** as a part of a comprehensive team that includes all students, parents, teachers, staff and community. We will work together to ensure each student an education that enables him/her to become a confident, competent, respectful, responsible, creative and critical thinker. We will support each other and hold each other accountable. We will continue to support personalized learning, higher order thinking and student engagement through Talent Development, Arts Infusion and other innovative, research-based practices.

As we continue to work together and grow as a school family, more opportunities will arise for our students! Some exciting new offerings at our school this year include Dance and Spanish classes!

Please stay informed by visiting our school's website, Facebook page and Twitter account for updated information and announcements. Please take advantage of volunteer opportunities and stay tuned for other ways to be involved!

We look forward to partnering with you as your child learns and grows at Angel Oak Elementary School! We are so pleased to have you as a part of our Angel Oak Elementary School family!

Sincerely,

Judith Condon
Interim Principal

School Colors: Blue and Orange

Mascot: Hootie, the Owl

Mission Statement: The mission of Angel Oak Elementary School is to prepare students to become confident, competent, respectful, responsible, creative and critical thinkers. Angel Oak will provide positive school experiences and a safe school environment where dedicated staff, parents and community will collaborate to provide positive, innovative educational experiences that empower students to reach their maximum potential in an ever-changing world.

Vision Statement:

At Angel Oak Elementary School we are an arts-infused community that is committed to discovering talents, seeking growth, and always believing we can.

Angel Oak Elementary is a Title I school. This is a federally funded program. Our funds are used to reduce class size and ensure appropriate resources are available to each student. If you are interested in serving on the School Improvement Council/ Title I Planning Team, please let the principal know. A copy of the Title I Plan is available in the main office for review.

Link to the Charleston County School District Student Code of Conduct for Elementary Schools:

https://www.ccsdschools.com/UserFiles/Servers/Server_2973281/File/Families/Student%20Code%20of%20Conduct/1718/StudentCodeofConduct_Elementary3_2017-18.pdf

Attendance

You child learns and grows each day at Angel Oak! Attendance is very important in helping your child stay on track and is a requirement for promotion. Student attendance also impacts Angel Oak Elementary's Adequate Yearly Progress (AYP). Students may not be eligible for promotion if they have more than ten *unlawful* or *unexcused* absences. **The school office must receive a valid excuse (a note), written by the parent or guardian within three days after the student returns to school.** No electronic excuses will be accepted. This excuse (note) must contain:

- Student's name
- Teacher's name
- Date(s) of absence
- Specific reason for absence
- Signature of parent or guardian

School officials are accountable for following up on student attendance and tardiness issues. Ongoing truancy issues may result in parents being required to meet with an administrator to develop an attendance contract.

Below are important facts about **CCSD's Attendance and Truancy Policy**:

- All absences are classified as either **lawful** (can be excused or unexcused) or **unlawful** and all absences, regardless of the classification, must be documented.

Lawful excused absences include: student illness, serious illness of immediate family member, death of a family member, religious holidays, and suspension.

Lawful unexcused absences include: absence as a result of an extracurricular activity that's not approved or requested by the administration, those suspended from the bus and do not report to school, those who go to appointments that could be made outside of school hours, and parental notes for student illnesses in excess of ten days that is not substantiated by medical statement.

Unlawful absences include: students who are absent from school without acceptable cause with the knowledge of the parents (example- vacations and accompanying parents on business trips) and those willfully absent without the knowledge of parents. **Unlawful** absences are ALWAYS unexcused.

Teachers are not required to allow students to make up work missed during an ***unexcused*** absence.

A written excuse is required for all absences in all of the categories mentioned above. There are no exceptions.

****** After 10 absences a student may be retained in his/her current grade.

Additional information concerning the Charleston County School District attendance policy is included in the *Code of Conduct*. (See link on page 3)

Attendance conferences will be held with parents of children who exceed the South Carolina Attendance Regulation Laws. Student attendance is monitored very closely. Please read the Student Code of Conduct and Attendance Policy in your child's beginning of the year packet.

Please remember that your child's attendance is extremely important! Our school must meet certain attendance requirements. Please have your children at school every day!

Bell Schedule

7:55	Teacher Arrival/Students to Breakfast in Cafeteria
8:15	Students begin dismissal to classrooms (cafeteria/car riders)
8:25	Tardy warning bell
8:30	Morning News/Attendance/Instruction begins
3:15	Instruction ends/Prepare for Dismissal
3:20	Afternoon announcements/Dismissal begins
3:35	Dismissal ends
3:45	Any remaining students escorted to Kaleidoscope Program
4:00	Teachers dismissed

Breakfast and Lunch-

We are pleased to inform you that Angel Oak Elementary will be participating in an option available to schools as part of the National School Lunch and School Breakfast Program called the Community Eligibility Provision (CEP) for the School Year 2017-2018. **The GREAT NEWS is that ALL students enrolled at our school are eligible to receive a healthy breakfast and lunch at school at NO CHARGE to your household each day of the 2017-2018 school year.**

Breakfast will be served in the cafeteria until 8:15. Accommodations will be made for students arriving on **late busses** through “Grab and Go” options. Unfortunately, policy does not allow us to accommodate other students that arrive after the tardy bell. Questions regarding Food Service should be directed to our cafeteria manager. Students should report directly to his or her room at the direction of the staff on duty throughout the school. *Lunch* will be served based on a schedule that best meets the needs of our learners throughout the day. A lunch period lasts 20 minutes. If you would like to eat lunch with your child, please contact your child’s teacher to schedule at least 24 hours in advance. This will ensure we follow security measures and are expecting you as a visitor.

Bus Discipline Policy

Durham Bus Services and the bus drivers have the responsibility to provide your family with safe transportation to and from school. Therefore, it is extremely important for students to maintain proper behavior that allows the bus driver to provide his/her service in a safe manner. Students should follow the expectations explained in the Student Code of Conduct. Transportation to and from school is a service delivered to your family free of charge and is an extra service.

In order to maintain safety on the bus, service will be denied to students that cause a danger to the safety of others by acting in ways that distract the bus driver or show disrespect to others or school property.

Choosing to participate in unacceptable behavior will result in loss of bus service. From the time the students board the bus in the morning until they disembark in the afternoon, they will be considered “at school” and will be subject to all school rules and regulations. The bus is an extension of the school.

Daily Arrival/Daily Dismissal/Early Dismissal

Arrival: Adult supervision at Angel Oak Elementary begins at 8:00 a.m. Students should not be dropped off before 7:55 a.m. due to the lack of adult supervision. For this reason, the school will not be responsible for students left unsupervised by parents before 7:55 a.m. Bus students will enter the building through the door closest to the bus loop. Car riders should be dropped off at the front entrance. Angel Oak Elementary *does* provide an early morning before school program through Kaleidoscope to ensure supervision before school hours. It is the responsibility of the parent to enroll their child in the **Kaleidoscope morning program** if the parent plans to drop off their child before 7:55 a.m. The Kaleidoscope morning program begins at 7:00 a.m. and entrance is through the side doors by the covered play area. **If your child arrives late to school after 8:30 a.m., the parent is to walk the student into the school and sign the student in at the office. The student will be marked tardy (lawful or unlawful) depending upon the circumstance.**

In order for the car rider system to move along at a steady and safe pace, there are certain rules that apply:

- In the mornings, cars will pull all the way forward, stacking cars as closely and as safely as possible. Children will not exit or enter their cars until they are in the drop-off/pick-up area where staff members are on duty. Parents do not need to get out of the car. Staff members will be along the curb to help students in or out of the vehicles. Do not pass cars in the drop-off/pick-up area unless directed by a staff member.
- Absolutely no parking lot drop-offs are allowed.
- In the mornings, please begin saying your goodbyes prior to pulling into the drop-off zone. This will allow your child to make a quick exit and keep our car line flowing smoothly.

- During morning arrival, no student drop-offs are allowed in the bus area (which is located on the left side of the school).
- No smoking or loud music is permitted in the car line.

Dismissal: The office will not interrupt classes to deliver transportation messages to your child unless it is an emergency. **There will be no change of transportation messages taken or delivered after 2:45 p.m.** Please make sure your child knows how to get home in the afternoon before leaving for school in the morning. The dismissal process will begin at 3:15 p.m. Parents are asked to arrive promptly to receive students. ***Any changes in the regular routine will require a note for the teacher and the bus driver.*** Older siblings must exit their appropriate door to meet or pick up younger siblings.

Car riders will dismissed through the front doors. Parents will form a line in front of the school and follow directions of the staff on duty. For car rider dismissal, please display the official Angel Oak card in your vehicle. **NO STUDENT WILL BE ALLOWED TO ENTER A VEHICLE WITHOUT THE PROPER CAR TAG DISPLAYED.** At the end of the day, children must remain in the specified drop-off/pick-up area where there is adult supervision. Children will not be permitted to “meet” parents in the parking areas. Car riders not picked up by 3:45 P.M. will be escorted to the After School Extended Day Program (registration and fees apply).

Kaleidoscope After-School Extended Day Program operates Monday-Friday immediately after school until 6:00 p.m. For more information about this program, please visit: https://www.ccsdschools.com/divisions/learning_services/support_services/kaleidoscope .

Early Dismissal: Students will only be dismissed from the office at the request of the student’s parent or guardian. Please make every effort to schedule appointments for your child outside of school hours. Calling into a classroom to request your child for dismissal interrupts not only your child’s learning, but also that of the entire class. *Parents will be asked to show identification during the sign-out procedure. This is for the safety of your child and is county policy. Only the individuals listed on the child’s card will be allowed to sign students out of school.*

Dangerous Weather

In case of sudden, extreme weather conditions (hurricane, flooding, tornado, etc.), school may be dismissed early. The automated call system will also be used to communicate plans to parents. All after school programs are cancelled in the event of early dismissal. If inclement weather occurs during the morning hours, there may be a “two-hour delay” called for by the superintendent. No breakfast will be served.

Dress Code

Students will wear a uniform consisting of:

- Any blue, white, or orange collared shirt with NO designs
- School Spirit shirts designed with school logo
- Dark blue or khaki pants, shorts or skirts, must wear a belt (if belt loops exist)
- Blue cotton sweaters are acceptable.
- Sneakers preferred. Shoestrings and straps must be tied or Velcro-ed. Sandals must have a back strap to secure shoe to foot. Flip-flops are not allowed.

Heavy coats, outdoor hats and outdoor jackets will be hung in the classroom at the direction of the teacher during cold periods.

Emergencies

Emergency cards will be available for completion during “Meet and Greet” and will be sent home on the first day of school if needed. Updates will be requested throughout the year. Please fill these out completely and return them with accurate information as quickly as possible. Please provide the school with a working number where you can be contacted, as well as the number for the family physician in case of emergency. This information needs to be kept current. **If you cannot be reached during the day, please list an adult with a working phone in your emergency contacts who can be responsible for your child’s emergency care.**

Expectations for Behavior

Angel Oak Elementary has established school-wide expectations for the behavior of students based on our PBIS plan. Students are given on-going instruction concerning routines and procedures to encourage positive behavior and establish clear expectations. When students experience difficulties with meeting these expectations, the teacher will follow a pre-established plan to help the student work through the problem. Our intent is to be positive, proactive, and preventative in our system of management. Your teacher will share these class expectations with you and your child at the beginning of the school year. We appreciate parents working with us and supporting this approach as we strive to make each classroom and our school a safe and productive educational environment for every student!

Grading Policy

Kindergarten, First and Second Grade	Third, Fourth and Fifth Grade
CD (Consistently Demonstrates)	90-100 A
SD (Sometimes Demonstrates)	80-89 B
RD (Rarely Demonstrates)	70-79 C
	60-69 D
	59 and below F

Grades will be recorded as numbers on report cards for students in grades 3-5.

Extracurricular Opportunities

Angel Oak students have the opportunity to be involved in many clubs and other extracurricular opportunities. These include drama club, robotics, tennis team, cooking club and more! More information will be shared about these opportunities in late August.

Guest Policy

You are always welcome to be a guest at our school! All guests to the school need to alert the teacher (24 hrs. notice preferred) and must stop in the front office upon arrival to AOES to receive a Visitor's Pass. **Please bring photo identification into the school with you as required.** Please remember that no parent conferences can be held during instructional time periods. Contact your child's teacher ahead of time to schedule an appointment.

Gum

Students are not allowed to chew gum at school, on school grounds or on the school bus. Please have your child leave all gum at home.

Head Lice

If a student is found to have live head lice at school, someone will be required to pick the child up from school. The student cannot return to school until he/she has been treated and can show proof of treatment. If a student has nits (eggs) at school, the parent will be contacted and the student must be treated before returning to school the next day. If a student is absent from school because of lice, this is not an excused absence according to the Attendance Regulations of South Carolina. Please take care of lice appropriately to prevent the spread of lice from one person to another.

Homework

Homework given at Angel Oak Elementary will be purposeful, age-appropriate, engaging and connected to curriculum standards. Homework may include family discussions, play and other interactive activities. You will be asked to be an active participant in learning with your child at home. **Students should read every night!**

The following are suggestions for helping your child with school work:

- Help establish a consistent, organized place for homework to be done.
- Encourage, motivate, and prompt your child.

- If your child is practicing a skill, ask him to tell you which steps are easy for him, which are difficult, or how he is going to improve. If your child is consistently not able to talk about the knowledge he is practicing or using, please communicate with the teacher.
- If your child is unable to complete the homework in the time outlined, please jot the teacher a note in the homework agenda book. We do not want children spending all evening on homework assignments.
- Be open to assignments that promote discussion, play and other new ways to extend learning beyond the school day!

Legal Issues

If a child reports that there is any type of abuse taking place, liability requires that we report the incident to authorities. The school is a mandated reporting agency, even if there is only a suspicion.

Medication

Parents are to bring all medication to the clinic to be dispensed. The nurse must have a signed permission form from the parent and the physician before any medicine can be given to the student. These forms are available from the nurse. The instructions on the medicine will be followed. See our school nurse for further information about over-the-counter medications if applicable.

Media

We want to tell our story and share all of the wonderful learning that is happening at Angel Oak with the community! Students may appear in photos, video and social media posts, in the newspaper and/or in the yearbook. Please see the FERPA information on the school website for opting out **ONLY** if you wish to **not** have your child included in media coverage.

Nurse/Clinic

Students that are sick will be sent or escorted to the clinic with a pass to see the nurse. Any student that is vomiting or running a temperature of 100 ° or more is required to go home. The

student cannot return to school until he/she has been fever-free for a 24 hour period. Students that are sick in the morning before school should stay home. Parents will be notified if students are hurt or injured in any way during the school day.

Parent/Teacher Communication

Teachers will keep parents informed of their child's progress through the use of a Weekly Folder, the student agenda and Power School Parent Portal. Please review the folder paperwork, sign the appropriate sheet and return it as soon as possible so the teacher can begin preparing for the next week.

It is expected that parents meet and/or speak with their child's teacher during each grading period, four times during the school year. If a student is in danger of being retained in his/her present grade, the parents will be called in for a conference with the student's teacher prior to the end of March.

If a parent wishes to speak with a teacher about academic or behavior problems, the parent is to contact the teacher to plan a conference. Conferences are held during the teacher's planning time, before or after school. Please come to the office immediately upon arrival in the building to sign in and receive a Visitor's Pass.

Parties

Class reward parties will be held after 2:00. CCSD recommends parties only before winter break and at the end of the year to celebrate student achievement and success. AOE will NOT have "birthday parties" for students. Parents may bring/send in a snack to be shared with the class during the last 15 minutes of the school day or during lunch. NO BALLOONS, GIFTS, FLOWERS, etc. will be allowed to keep class disruptions minimal.

Note: All foods served at AOE to students must be store purchased (not homemade) so that everything served to students comes from a state-inspected kitchen and all ingredients can be monitored for children with food allergies.

PTA

We need the Power of Parent Volunteers. Shrinking budgets; Curriculum cuts; increasing class sizes; government mandates. The challenges of delivering quality education are daunting, to say the least. There is help. And the good news is it's the PTA.

PTAs Benefit Everyone. PTA addresses issues that are important to public school administrators and parents. We fight for the same thing—full funding, quality teachers, and capabilities for schools to thrive. Membership is open to everyone!

Here are just some of PTA's benefits:

Leverage Volunteer Power. PTA organizes hard-working and dedicated volunteers. Parents are ready and willing to help implement school improvement programs.

Improve Communication. Frequently, one of a PTA's responsibilities is coordinating production of newsletters and information fliers, keeping the entire school community informed of current events, issues, and accomplishments. In addition, regularly scheduled meetings are an opportunity to share information with members.

See Measurable Results. More than 85 rigorous academic research studies conducted through over 30 years of research prove that kids do better when parents are involved. Grades are higher. Test scores improve. Attendance increases.

Discover More Dollars. Local PTAs are self-funding. By inviting the entire school's parent community to join, the PTA generates membership fees to pay for programs. Local PTAs often organize fundraising events. Proceeds support school-based programs, building maintenance and improvements, and educational and social events.

Boost Children's Well-Being. PTAs focus on what students' need to be successful in their learning, including nutrition, health, and well-being. Whether it is school safety, physical fitness, or healthy breakfast, PTA works with school administrators to ensure that children are prepared to succeed.

Enjoy Informed Parents. Perhaps one of the most important benefits is that involved parents understand the challenges schools face and become part of the solution. They support improving education, both locally and legislatively. By developing a closer relationship with parents, student achievement improves, and the school develops a positive reputation in the community.

This group of parents is vital to our school! PTA meetings will be held throughout the year. Reminders will be sent home with students in the Weekly Folder. *Please be a part of our exciting quest to make "AOES the BEST"!*

Registration

All students that attend our school must complete a registration form. A birth certificate, South Carolina immunization record and proof of residency are required. The school will request records from the student's previous school. Please see the data clerk in the front office for more details.

Related Arts

Students at Angel Oak Elementary will receive instruction in the areas of Visual Art, Music, Dance, Spanish and Computer Technology.

Tardy Policy

Students must be on time to reduce classroom disruptions. Any student (except bus riders) that arrive after 8:30 a.m. for any reason must be **signed in by a parent. Parents of tardy students must come into the office with their child(ren) to sign them in.** Bus students will not be marked tardy if it is a bus problem. **Students that are tardy more than 5 times will be asked to have a parent conference with an administrator.**

Telephone

Pupils are not allowed to use the phone except in emergency situations. Messages for students will be taken in the office for emergency situations only. Please make all arrangements for transportation and after-school care prior to sending your child to school.

CELL PHONES ARE TO BE STORED AWAY DURING THE SCHOOL DAY AND TURNED OFF.

If the student has a cell phone and it is lost, stolen or damaged, the school will accept no responsibility for the phone. If the student takes the cell phone out during the school day and/or it is not turned off, the cell phone will be held and returned only to the parent.

Technology/Internet Guidelines

The parent, student and student's teacher must sign a copy of the Technology and Internet Guidelines. This is required before an iPad can be loaned to the student for the year and permission to use the Internet is granted.

Textbooks

Students are assigned a textbook for each subject area (depending on grade level). All textbooks are consumable, except for the third grade social studies books. Students are allowed to write in the consumable textbooks and textbooks may be taken home. Students are responsible for all textbooks issued to them. If a textbook is damaged, or lost a replacement may be purchased at the school.

Toys and Electronics

Students must leave all toys and electronics at home. All confiscated items will be given to the principal and will only be released to a parent. The school is not responsible for the loss or the theft of any toy or electronic item (Gameboys, PSP's, iPod's, etc.) brought to school. Refer to the Progressive Discipline Plan.

Transfers/Withdrawals

When a student transfers from Angel Oak Elementary, parents are asked to give the school at least 24-hour notice. Records will be forwarded to the new school upon request. We cannot give records directly to parents.

Transportation

Bus riders: Safety is always a primary concern at our school. Riding the school bus is a ***privilege***.

Any behavior that risks the safety of the students or the driver on the bus is grounds for removal from the bus. Removal from the bus may be from one day to the remainder of the school year. Transportation is the responsibility of the parent if a student is suspended from the bus for any length of time. Student absences due to bus suspensions are considered unlawful. The Durham Transportation supervisor is in charge of bus routes,

drivers, late buses, and school bus regulations. Students are to ride a bus only if they live in the AOE bus zone.

Parents that have concerns regarding bus drivers, bus stops or routes should contact Durham Bus Services at 559-4621/4623.

Vandalism/Defacing School Property

Vandalism by defacing school property can be a reason for suspension. Examples of vandalism include (but are not limited to) writing on any of the surfaces in the school with anything, breaking school property, and littering, etc. Parents may be required to pay to repair or replace any item that is damaged or destroyed. This includes damaging property on school buses.

Volunteers

Parents are encouraged to come to school to help in the classroom, front office or chaperone field trips. There are also several committees that need parent input and participation. Parents have the opportunity to serve on the School Improvement Committee/Title I Planning Committee, and to be

an active member of the PTA. Please complete the attached **Volunteer Form** and return to school.

Early Dismissal of Students

All adults will be asked for identification whenever a student is being signed out. Please be sure to list any adult that is allowed to sign out your student on the Student Information/Emergency Contact Form. Anyone not listed on the form will need to have additional permission from you in order to sign out your student.

Please do not be upset when you are asked to produce identification. Remember, this is for the safety of your child!

What is MAP Testing?

M.A.P. (Measures of Academic Progress)

What is the purpose of MAP?

The un-timed, computer-based MAP test is administered to students three times per year and generates diagnostic and prescriptive data regarding each child's instructional needs. The data serves as a "road map" for teachers as they plan for individual student's strengths and weaknesses. The data will not be used as part of the student's grade. By the end of each year, the cumulative MAP data will measure the extent of growth in student achievement. This is a CCSD required testing program.

In what other ways are these MAP scores helpful?

MAP data provides a reading Lexile Level for each child. Each book in our Media Center is labeled with a Lexile number that equates to a child's reading ability. To ensure that students are challenged, they should read books on, or around, their Lexile range. MAP data is also used to differentiate instruction and to group children for instruction based on their common strengths and weaknesses.

What if the test is too difficult or too easy for my child?

The test is adaptive; meaning that a child's response to one question will actually determine the difficulty of the question that follows. In addition, the questions are aligned with our SC Curriculum Standards.

What if my child fails the test?

The MAP test is not a pass/fail test. Remember, it is used to determine strengths and weaknesses.

Who oversees the testing?

Your child's teacher, along with a MAP testing proctor will oversee the testing. Typically, the entire class will go to the computer lab at the same time to test.

Will I receive MAP Reports regarding my child's performance?

Yes, your child's teacher will send you a report after each testing period. It does, however, take a few weeks after completion of the test to generate the reports to be sent home.

Does MAP data affect future class placement?

The middle schools use spring MAP scores as one of several indicators when determining class placement.

Angel Oak Elementary

By signing below I certify that I have reviewed and understand the policies outlined in the 2017-2018 Angel Oak Elementary Student-Parent Handbook for school and home.
