

## Whispers from the Stacks

Whooooo's got new books???? WE DO!!!!

We are very excited about all the new books we have received this past year in our Library. In school, we have been learning all about library citizenship and how important it is to take care of our library books. Please encourage your children to care for their books by keeping them away from food and drinks (especially in backpacks), as well as markers, crayons, scissors, and glue. Try to locate a special place in your home for your child's library book that is safe from babies and pets. Also, please note that any books that are lost or severely damaged must be paid for.

"I must say I find television very educational. The minute somebody turns it on, I go to the library and read a good book." ~ Groucho Marx

~Miss Schumacher
